

Studio Model Representative / Parent Contract

Thank you for your interest in the **Studio Model Representative Program** for ProPoint Media Photography Studio.

In return for promoting my studio you'll receive a **FREE** senior portrait session, a secondary individual session and take part in a group session with your Studio Model team. You'll have the opportunity to earn print credits, digital perks & more! The more you promote my studio and build referrals, the more FREE stuff you'll receive! Accrued print credits are used towards your own portrait print package AND those you refer will also receive a FREE \$30 print credit in addition to their own print package. All Studio Models are eligible for a chance to win a stretched canvas print from an image of choice from any of your photo session(s).

Please thoroughly read this contract agreement and complete information on page #2, acknowledging acceptance and receipt of the following:

This Agreement incorporates the entire understanding between parties being the CLIENT & ProPoint Media Photography.
